Subject: Attorney Notes – Oil Terminal Permits 3-5-20

ATTORNEY/CLIENT - NOT FOR RELEASE

Fyi – my attorney Notes from 3-5-20 meeting re oil terminal permits:

- In effort to reduce backlog, reissuing individual (stormwater) permits to (~11) bulk oil terminals.
- **Ex. 5 - Att'y-Client; Delib. Process**
[REDACTED]
- For Global, will be consolidating 3 permits into one.
- Permits have actual limits on outfall discharges; will be putting in more stringent limits.
- Pfas is big issue. Include pfas monitoring? Issue with test method and **Ex. 5 - Att'y-Client; Delib. Process**

- E.J. – there has been push back from community in past that not taking into account cumulative effects. Will need to coordinate with Marcus Holmes (EPA). Will need to do outreach with community.
- Will be staggering permits. Send draft to state and Holmes at same time, but have Samir's input first.
- I'll review draft Irving permit Shauna sends me.
- Damien to set up another meeting on March 12th to check in.
